### Declaration

Tick

I agree to abide by the Conditions of Membership (see separate document).

I acknowledge my responsibility to ensure my fitness for rowing and commit to informing the Cox of any health issues that may affect or be influenced by my participation in rowing

On behalf of myself and my family, I accord to the club committee the absolute right to use photographic images associated with Appin Skiff Coastal Rowing Club.

I agree that the Cox's decision is final with regard to launching and boat control on the water.

I agree that the club can hold the above details and use them for purposes associated with the club and rowing. They can be shared with committee members.

I understand that all details will be deleted if I request their deletion or leave the Club.

The Club complies with the General Data Protection Regulations. Committee members will delete all data at the end of each membership year. It is, therefore, essential that this form is completed in full annually. Personal data is retained for purposes of club activities and to inform you about club fundraising and other events of interest.
